

## Recorded Resources Access

1. Log in to **Ellucian portal**. For the best user experience the recommended web browsers include: Chrome, Firefox, or Safari.

<https://ellucian2017.smarteventscloud.com/portal/myPortal.wv>

2. Enter your user name and password.

The screenshot shows the Ellucian Live 2017 portal interface. The header features the event logo and dates. The main content area is divided into a left sidebar and a right main section. The sidebar contains links for Registration, Event Information, and Registration Support. The main section has a 'Register Now' button for users not yet registered and a 'Login' section for returning users. The login section includes a 'Login' button and a 'Forgot your password?' link.

4. Select **Browse & Search** on the right-hand navigation under **Event**.

The screenshot shows the top navigation bar for the Ellucian Live 2017 website. The header includes the event name 'ellucian LIVE 2017' and the location 'ORLANDO, FL MARCH 19-22, 2017'. A search bar is located in the top right. Below the header, the navigation menu is organized into three main sections: 'Online Directory', 'Speaker', and 'Event'. The 'Event' section contains a yellow button labeled 'Browse & Search', which is highlighted with a red circle. Other navigation options include 'Home', 'Schedule', 'Interests', 'Action Line Appointment', and 'Speaker Rehearsal Room'.

**Online Directory**

**Online Directory**

For eligible attendees, you were asked if you'd like to share your contact information with other Ellucian Live attendees. If you answered yes, you will be able to send a message to any other eligible attendee that also agreed to participate. Please note, this messaging is done via email within the Connect application.

Attendees that are not eligible or that selected that they did not want to share their contact information will not have access to the onsite directory or messaging through the Connect application.

[Click here](#) to learn more about how to send messages through the Connect application and how to opt out of the online Directory.

**Note**

This site will give you access to the exhibitor list and full agenda for Ellucian Live 2017. The full agenda includes a listing of all sessions (presentations, panels, and birds-of-a-feather) that will be offered. This site provides a real-time view of the sessions being offered, so the content will change as sessions are added or cancelled. The site contains the title and description of each session, as well as the location, schedule, and other information.

5. Use the filters on the right to find sessions of interest.

The screenshot displays the Ellucian Live 2017 website interface. At the top, a banner features the event title "ellucian LIVE | 2017" and the location "ORLANDO, FL MARCH 19-22, 2017". Below the banner is a search bar with the text "Keyword Search" and a "Search" button. To the right of the search bar is an "Exact Match" checkbox. Below the search bar are three filter buttons: "People (572)", "Sessions (674)", and "Exhibitors (79)". A "Sort by: ID" dropdown menu is located below the filter buttons. A "Current Filters" section shows "Ellucian Live" as the active filter. The main content area lists several sessions, each with a title, description, duration, and speakers. To the right of the sessions are three columns of action links: "Scheduling Options", "Add to My Interests", and "Download Docs". On the far right, a "Site Menu" sidebar is visible, containing sections for "Speaker", "Event", "Conference", "ERP", "Original EL Solution / Service:", and "Ellucian Live Track". A red circle highlights the "Conference" section, which includes "Ellucian Live" (checked) and "Degree Works Forum". The "ERP" section includes "Banner® by Ellucian", "Banner 9", "Colleague® by Ellucian", "Power Campus™ by Ellucian", and "Not Applicable". The "Original EL Solution / Service:" section includes "Action Line and Learning Lab", "Action Planning", "Adoption Best Practices", and "Banner® Accounts Receivable".

6. Select the session you would like to view.
7. Find the selected recording in the upper right under **Media**.

8. The Recorded Resources viewing page will open. Click the **play button** on the bottom right.
