

# TOP 10 REASONS TO CHOOSE QUERCUS BY ELLUCIAN

The right student information system helps you efficiently manage your records, streamline your staff's efforts and deliver a more convenient, modern experience to your students. Equally important, it gives your institution the flexibility it needs to adapt to ever-changing functional and technical demands.

## Discover Quercus by Ellucian.

**1**

### Designed for higher education

Every institution has unique needs, and Quercus is tailor-made to address those challenges. Ellucian solutions are **designed solely for higher education**—and that singular focus means better solutions and services for your students and staff.

**2**

### Innovative technology that positions you for the future

In higher education, expectations, demographics, funding and technology change rapidly. Our R&D team is **always focused on continued innovation** so your institution can keep evolving.

**3**

### A turnkey student information system

Quercus is a flexible application that is configurable by its users, making it **an innovative, ever-evolving solution that helps you keep up with change**. There are no hidden extras or add-on modules to purchase: the processes you need are already built in.

**4**

### Loaded with functionality that help you lower costs

**Save time, money and staff hours** with smart workflows, efficient document management, out-of-the-box connectors and powerful reporting tools.

**5**

### SaaS delivery

Enjoy **the convenience and savings of the software-as-a-service model**, with upgrades managed for you three times a year. No expensive IT infrastructure to purchase; no hardware to maintain.

**6**

### Partnering with Amazon Web Services

Enjoy **the strength and security of AWS**, including backup and disaster recovery, data security and resilience during peak times like registration.

**7**

### Quick to launch with Ellucian's Rapid Deployment Methodology

Gain a quick return on your investment using our accelerated cloud-based approach. Using proven sprint-based methodology, some customers are able to **go live in as few as 4-6 weeks**—without sacrificing quality.

**8**

### Supported by expert consultants

Access the expertise of our dedicated project managers, flexible remote services and seasoned specialists—all with **years of experience** in helping institutions like yours thrive.

**9**

### Backed by the power of the Ellucian community

Access the knowledge and experience of **our diverse global user community** with over 35,000 registered users. Enjoy its collegial and collaborative culture through user groups, forums, workshops and more.

**10**

### Created with our mutual success in mind

Ellucian's deeply experienced team works to help higher education achieve its most pressing objectives—reducing friction, boosting efficiency, spurring growth and providing the mobile, on-demand experience that users expect. We offer you **a committed, connected and adaptive technology partnership**—because if you don't succeed, we don't succeed.
