

Increase productivity and adoption with **Ellucian Training**

Train your end users quickly on the features and functionality they need each day.

Reduce training duration and increase user adoption and productivity with Ellucian's engaging, focused software training modules. Our role-based content is designed for both new and advanced users, allowing you to easily tailor learning experiences to meet your institutional and employee needs.

The right training at the right time

Register in minutes and get easy access to learning content

The screenshot shows the Ellucian training catalog interface. At the top, there is a search bar and navigation links. The main content area displays a course card for "Elucian CRM Recruit Rollover and Ongoing Maintenance" (ID: W-05WDZV) by instructor E.Siradas. The price is listed as \$800.00. Below the course details, there are tabs for "SESSIONS", "ABOUT THIS VIRTUAL CLASS", and "TRAINING MATERIAL". The "SESSIONS" tab is active, showing two dates: 12/15/2020 and 12/16/2020, each with a start time of 10:00:00 am and a duration of 6 hours 30 minutes. To the right, there is a "SELECT SESSION" dropdown menu and an "ADD TO CART" button. Below the course details, there are recommendations for other courses, including "Customize the Colleague Web AP" and "Creating Mappings with Oracle".

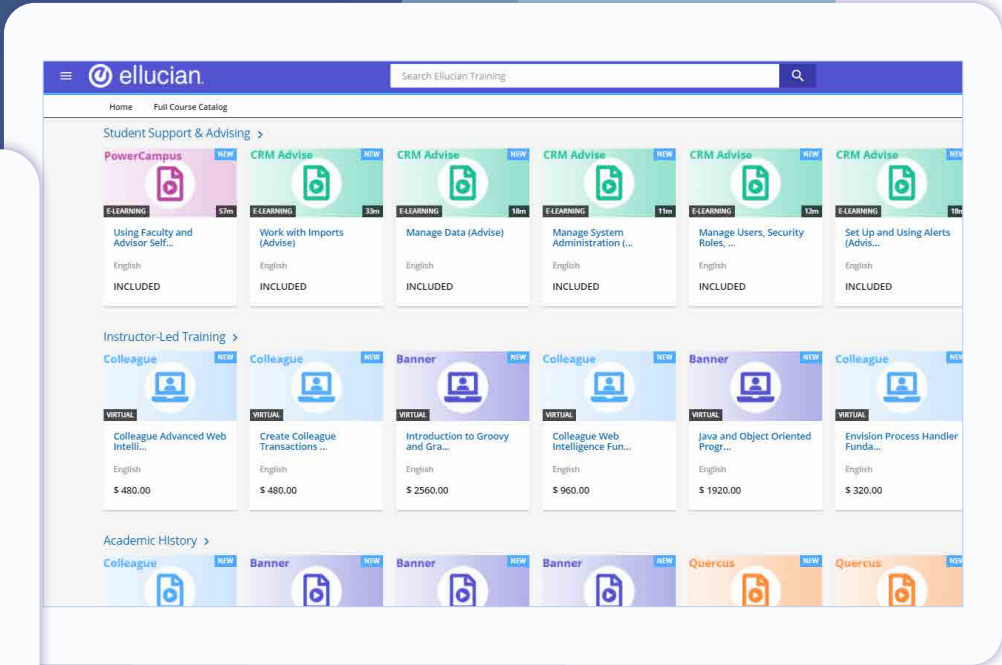

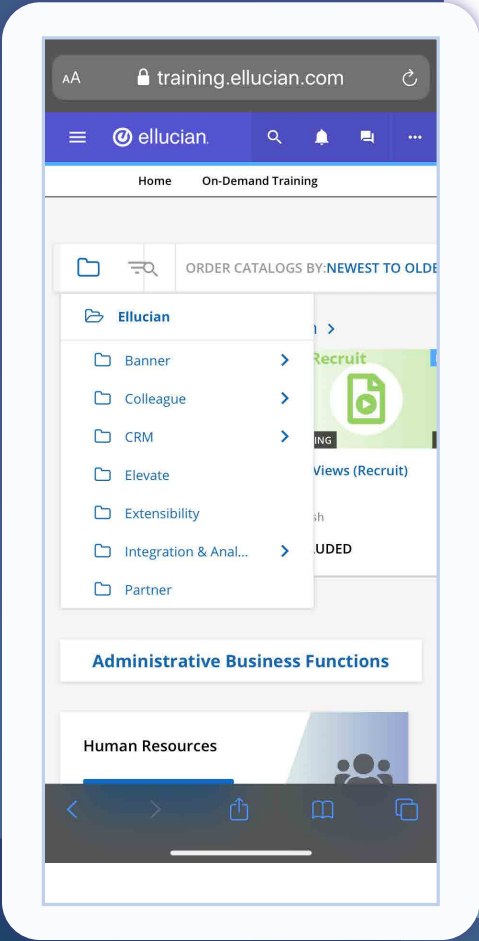

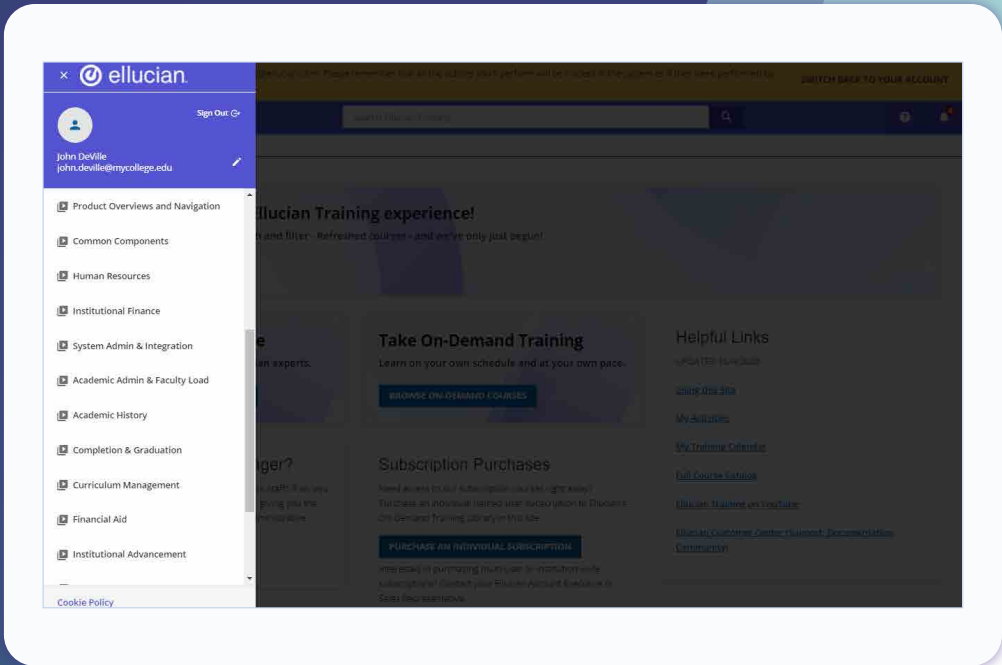

Filter content based on role (or choose multiple roles to view an expanded selection)

The screenshot shows the Ellucian training catalog interface with a filter overlay. The overlay is titled "Audience" and contains a search bar and a list of roles with checkboxes. The roles listed are: All Staff, Academic Records, Admissions, Advancement, Advising, Continuing Education, Degree Audit, Faculty, Finance, Financial Aid, HR, Information Technology, Institutional Research, Marketing/Communications, Recruitment, Registration, and Student Success. The "All Staff" checkbox is selected. Below the list, there are "CLOSE" and "APPLY" buttons. The background shows a grid of course cards with various filters applied, such as "Included" and "Paid".
