

# Session Types

## PRESENTATION

Presentations feature one or two speakers/institutions discussing a topic or case study with time for questions and answers. PowerPoint presentation required.

## PANEL DISCUSSION

Panels feature a lead moderator with up to three additional speakers, each offering perspective on an issue or set of issues. Also includes time for questions and answers. PowerPoint presentation required.

## BIRDS OF A FEATHER

These open discussions bring together attendees with common interests. Although these sessions do not require a formal presentation, both a title and an agenda slide are required. The agenda slide should include key discussion points to set expectations and help initiate discussions.

## USER GROUP MEETINGS

These are open discussions with peer groups, often related to specific country and regional users coming together. Although these sessions do not require a formal presentation, both a title and an agenda slide are required. The agenda slide should include key discussion points to set expectations and help initiate discussions. Please note: in order to schedule and secure a meeting room, you must submit a session proposal. **You must be an Ellucian customer to submit a proposal for a user group meeting.** The majority of these will take place on Sunday, April 5, 2020 in the afternoon (tentatively between 2:00 p.m.–5:00 p.m. ET).
