

Use this offline practice form to map out your online submission. Please note that all proposal submissions must be made using the online form found on the Ellucian Live 2022 website by **11:59 pm ET on December 3**. Ellucian reserves the right to revise titles, reassign the identified topic area, or edit the presentation description for promotional and program materials without notifying the presenter.

Session information

★ = required input

Session title*

(Limit 75 characters including spaces & punctuation)

Your session title should clearly indicate the topic of your presentation and do so in a way that attracts potential attendees for your presentation. Include topic, product, service, or institution names for more detail.

Session abstract*

(Limit 200 words including spaces & punctuation)

In a few sentences, explain what your session will cover (please do not use bullets in your submission). This abstract will be included in our marketing materials, website, and program guide.

Partner Proposal Requirements

Session acceptance is competitive, and topics must be relevant to the higher education market. Priority will be provided to presentation proposals featuring a partner company and customer co-presenting in case study format. All sessions that include a partner as a presenter are considered a partner session and, if accepted, the partner would incur a fee of \$8,000.
