Banner Student
## Enhance your students' experience

As technology keeps advancing and user expectations keep on rising, Banner® Student helps you deliver the efficient, modern experiences your users want and need. Fully integrated with Ellucian Banner®, this comprehensive student information system lets you manage your data strategically and with maximum efficiency. Just as important in today's mobile world, Banner Student provides your prospective students, enrolled students, faculty, and staff with secure access—anytime, anywhere. Together, the broad capabilities of Banner Student give you the ability to serve your students better and improve performance institution-wide.

A world of administrative capabilities

Banner Student offers a full range of functions, from strategic management to records processing. Because it's integrated with Ellucian Banner, Banner Student provides your institution with a central system for consistent, current student information.

Banner Student gives you the critical information you need to meet the expectations of today's prospective and enrolled students by helping you with:

- Recruiting and admissions
- Registration and enrollment
- Academic records and results processing
- Accounts receivable
- Course catalog
- Class scheduling

- Advising, degree audit, and program planning
- Faculty entering grades easily
- Self-service for students
- Self-service for faculty and advisors
- Events management
- Faculty workload management

Self-service for students

Today's students expect instant, round-the clock access to critical services. Thanks to self-service options, students can apply for admission, register for classes, and retrieve their financial data on their own schedules. They can also access dynamic course catalogs, view schedules, check grades, review account balances and financial aid information, and perform other important tasks—all from the device of their choice without a trip to the registrar or a long wait in line.

Self-service for faculty and advisors

Banner Student helps faculty and advisors work more efficiently and more effectively thanks to secure mobile access to key information—from course rosters to grades to contact details. Banner Student lets instructors and advisors review an advisee's educational progress, assess her current course load, and work through sensible next steps—all in one online visit.

A new standard in student services

Set a new standard in student service with improved system manageability and coherence that will help you meet your goals for teaching and learning. At the heart of your connected campus, Banner Student lets you offer immediate, accurate, and personalized service to your students and helps your faculty and staff to focus on what they do best: enhance the learning experience at your institution.
