Ellucian Spend Management Suite powered by Chrome River and ESM Solutions

Saving time and money by automating spend management processes

Enjoy a modern, streamlined experience with the Ellucian Spend Management Suite powered by Chrome River and ESM Solutions. The suite's user-friendly solutions offer you mobile expense reporting, supplier invoice automation, and a clean, intuitive interface—ensuring a high-quality experience whether you're on a smartphone, tablet, or laptop.

Designed with Ellucian's signature focus on the needs of higher education customers—and built with ESM and Chrome River's powerful, agile technology—the Ellucian Spend Management Suite offers a full range of tools. Highly configurable, the included solutions offer functionality crucial to colleges and universities, including:

- Travel data integration
- Mobile capabilities
- Card program integration
- Analytics
- Vendor invoice management

“All of our purchase orders go through the solution so we have better visibility, better reporting, and a more informed position with our suppliers. By being integrated to Banner, all Purchase Orders are properly recorded against the general ledger.”
